#### IN REMEMBRANCE OF THE 50TH ANNIVERSARY OF THE BENGALI HINDU GENOCIDE

#### HON. SHEILA JACKSON LEE

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 23, 2021*

Ms. JACKSON LEE. Madam Speaker, I rise in sad remembrance of the 50th anniversary of the Bengali Hindu Genocide, and celebrate and honor the lives of the more than two million Bengali Hindu persons who were systematically killed by the Pakistani Army when it launched an offensive into East Pakistan, present-day Bangladesh, thus beginning the 10-month reign of terror known as "Operation Searchlight."

Over that time, approximately 2 to 3 million people were killed, over 200,000 women were raped in organized rape camps, and over 10 million people were displaced, most finding refuge in India.

I offer my prayers and condolences to the victims and their families who still feel the very real effects of this heinous crime against humanity.

March 25th officially marks the beginning of the genocide in Bangladesh.

The brutality unleashed by the Pakistani army and the targeting of Bengali Hindus simply because of their religion must be strongly condemned as religious freedom is one of the most sacred of human rights.

It has been 50 years since the genocide in Bangladesh, and the survivors and their descendants are still fighting for recognition; they are still fighting for an apology from Pakistan, as the Prime Minister of Bangladesh formerly asked her Pakistani counterpart as recently as January of 2021; and they are still fighting for justice and for closure.

On March 28, 1971, Archer K. Blood, U.S. Consul General stationed in Dhaka, East Pakistan, present-day Bangladesh, during the genocide, sent a cable back to Foggy Bottom with the subject reading "Selective Genocide."

In his cable, the Consul General informs his superiors at the State Department that "Here in Dacca we are mute and horrified witnesses to a reign of terror by the Pak military," and that the full horror of its atrocities "will come to light sooner or later."

That is why I rise; to remember and acknowledge that history so that victims and survivors of the Bengali Hindu Genocide know that the people of the United States stand in solidarity with them.

#### HONORING THE LIFE AND CAREER OF HEATHER SCHAFE

#### HON. BILL PASCRELL, JR.

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 23, 2021*

Mr. PASCRELL. Madam Speaker, I rise to pay my respects to Ms. Heather Schafer, former Chief Executive Officer of the National Volunteer Fire Council (NVFC). She passed away unexpectedly on March 15, 2021.

Celebrating its 45th year of service, the NVFC is the leading nonprofit association representing the interests of the volunteer fire, EMS, and rescue services. Ms. Schafer began her career with the NVFC in 1993, and within one year of service became the NVFC's Executive Director and CEO.

Madam Speaker, I know you are well aware of my passion for supporting our firefighters and emergency services personnel. They are our first responders to all disasters. They face daunting challenges which require high levels of training and specialized equipment.

They need strong voices at the local, state, and national levels to ensure that their needs are addressed by government officials. Heather Schafer provided such a voice, always advocating forcefully for our volunteer firefighters. Her passion for nonprofit work led her to the NVFC and her bold leadership and vision grew the organization and advanced the interests of the volunteer fire service and the health and safety of its members.

As we celebrate National Women's History Month, let us remember women like Ms. Schafer who serve as role models for young women seeking careers in professions traditionally occupied by their male counterparts. The fire and emergency services is one such profession.

Ms. Schafer leaves behind a legacy of great accomplishment over her 27 years of steadfast service managing the NVFC. And her contribution to a more equitable society for women and all Americans is surely among her greatest achievements.

On behalf of the Congressional Fire Services Caucus, I extend my deepest sympathies to Ms. Schafer's family, friends, and staff for the loss of a remarkable and talented leader of our nation's volunteer fire and emergency services.

RECOGNIZING THE SIGNING OF A DECLARATION OF INTENT BETWEEN THE JEWISH ADOPTION AND FAMILY CARE OPTIONS AND THE STATE OF ISRAEL MINISTRY OF LABOR, SOCIAL AFFAIRS AND SOCIAL SERVICES

### HON. THEODORE E. DEUTCH

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 23, 2021*

Mr. DEUTCH. Madam Speaker, I rise today in support of the Jewish Adoption and Family Care Center's declaration of intent agreement with the State of Israel. JAFCO continues to provide support to children affected by disabilities at risk of abuse or neglect in the United States.

JAFCO was established as a non-profit in 1992. The JAFCO Children's Village is among the rarest programs of its kind around the country. The partnership with the Israel Ministry of Labor, Social Affairs, and Social Services, or MOLSA, will help both entities refer requests for foster care, consultation, support services and more.

JAFCO and MOLSA have seen their efforts overlap over the past 25 years, making this partnership all the more important towards providing help for children in need. Both have done phenomenal work servicing special needs kids. This partnership can help mend any unmet necessities for children in the Jewish community.

I ask that my colleagues join me in supporting this partnership and commending the invaluable work JAFCO and MOLSA have done over the years to bring help to children and families in need.

INTRODUCTION OF THE KEEPING OUR MANUFACTURERS FROM BEING UNFAIRLY TAXED WHILE CHAMPIONING HEALTH ACT (KOMBUCHA)

### HON. EARL BLUMENAUER

OF OREGON

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 23, 2021*

Mr. BLUMENAUER. Madam Speaker, today I introduced the Keeping Our Manufacturers from Being Unfairly Taxed while Championing Health Act (KOMBUCHA). This legislation would amend the Internal Revenue Code of 1986 to properly tax kombucha, a fermented tea, naturally rich in probiotics and healthy acids, that can contain trace amounts of alcohol.

Last month, on February 21, we commemorated World Kombucha Day and acknowledged the many contributions of kombucha brewers in my home State of Oregon, across the United States, and around the world. With the introduction of KOMBUCHA, the United States Congress now can extend that acknowledgement to legislative action by providing the industry with much-needed relief.

Under the Internal Revenue Code, kombucha beverages with more than 0.5 percent alcohol-by-volume are subject to excise taxes intended for beer. As a result of the fermentation process that is necessary to produce kombucha, some final products may

contain more than 0.5 percent alcohol-by-volume, subjecting the industry to onerous excise taxes. But kombucha drinkers do not choose the product because of its alcohol content, they choose it as a healthy beverage option.

My legislation would increase the alcohol-by-volume limit for kombucha to 1.25 percent, properly categorizing the product and allowing the kombucha industry to continue its growth. I look forward to working with my colleagues in the House and Senator WYDEN in the Senate to provide this relief as soon as possible.

### HON. DANIEL WEBSTER

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Mr. WEBSTER of Florida. Madam Speaker, it is my pleasure to recognize LifeStream Behavioral Center as they commemorate 50 years of service in bringing hope to life during the month of March. LifeStream is dedicated to their mission of supporting recovery, promoting health and creating hope. Over the years LifeStream has grown to meet the needs of our communities and become a leader in behavioral health, substance use disorders, and social services.

In 1969, LifeStream began as a component of Waterman Memorial Hospital in Eustis, Florida, providing community-based care as an alternative to institutionalization. In 1971, LifeStream became a non-profit organization, originally founded as Lake/Sumter Community Mental Health Center, with 18 inpatient beds located inside Waterman Hospital and two outpatient clinics located in Lake and Sumter Counties.

Since its founding, LifeStream has expanded to multiple facilities with over 50 programs and 1,000 staff providing services throughout Central Florida, proudly serving the individuals and families of Lake, Sumter, Citrus, Hernando, Marion, Orange, and Hillsborough Counties. As a leader in behavioral healthcare, LifeStream offers a multi-disciplinary approach helping people reclaim their lives and take what for many is their first step towards hope. Their integrated health system provides behavioral health, substance use, primary healthcare, and social services. For 50 years, LifeStream has helped thousands of individuals in our community achieve recovery and reach their highest potential.

This is a momentous year for LifeStream, and I am honored to join my friend, Jonathan Cherry, CEO/President of LifeStream in celebrating this milestone. The community and families of Central Florida are blessed to have a committed behavioral health center such as LifeStream, and I commend them for the measures they are undertaking to support recovery and provide hope to those in need.

IN RECOGNITION OF ST. GEORGE GREEK ORTHODOX CATHEDRAL'S CELEBRATION OF THE BICENTENNIAL OF GREEK INDEPENDENCE

### HON. RICHARD E. NEAL

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 23, 2021*

Mr. NEAL. Madam Speaker, I would like to take this opportunity to congratulate St. George Greek Orthodox Cathedral on their celebration of this, the Bicentennial of Greek Independence. Their continued efforts to support, preserve and promote their Greek culture, as well as honor the heroes of 1821 and the sacrifices they made in pursuit of Greek independence, are truly remarkable and deserving of the highest praise.

The parishioners of St. George Greek Orthodox Cathedral are stewards of their culture's rich history, celebrating and honoring the sacrifices made by their forefathers during their fight for freedom. With the signing of the Treaty of Edirne in 1829, eight years after the inception of the War of Greek Independence, the independent state of Greece was finally established. St. George Greek Orthodox Cathedral has been a vital member of the Greater Springfield community since 1907, and generations of parishioners have faithfully commemorated Greek independence for more than a century.

Madam Speaker, I would like to once again acknowledge St. George Greek Orthodox Cathedral for their extraordinary efforts and superb achievement. Their dedication to preserving the traditions of their religion and their culture is admirable, and I wish them many more years of health and prosperity.
